

CONCLUSIONS

In light of the fact that the non-compliant amendment was in response to a non-final Office Action, Applicant has only supplied the corrected section. In view of the submission of the attached replacement sheets, Applicant respectfully submits that the drawings now comply with the requirements of 37 C.F.R. 1.121(d). If in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned.

It is believed that this paper is being filed timely and that no extensions of time are required. In the event any extensions of time or fee are necessary, the undersigned hereby authorizes the requisite fees to be charged to Deposit Account No. 501668.

Entry of the remarks made herein is respectfully requested.

Respectfully submitted,

Dated: March 3, 2006
